

The Hobsons **College, Career and Life Readiness (CCLR) Framework** expands the definition of college and career readiness

The Framework incorporates key strategies that help students build the skill sets and mindsets to transition from middle school to high school, and from high school to college, the military or the workforce.

Check out our on-demand webinar with **Broward County Public Schools (FL)** to learn how the new CCLR Framework provides a foundational blueprint for district-wide readiness:
